**RE: Administrative Order on Consent Revised Submittals
Waimanalo Gulch Sanitary Landfill**

Dear Mr. Moxley, Mr. Tyahla, & Mr. Yamada:

Waste Management of Hawaii, Inc. (WMH), the operator of the Waimanalo Gulch Sanitary Landfill (WGSL), is hereby submitting revised work plans and documents addressing various sections of the recently signed Administrative Order on Consent for Removal Action (AOC), based on EPA comments received February 10, 2011.

- 1) Section 19d: Description of collection & treatment associated with liquid located behind the temporary berm.
- 2) Section 19e: Work plan for managing any potential hydraulic head in the Cell E6 location.
- 3) Section 19h: Work plan for restoration of the existing sedimentation basin.
- 4) Section 19i: Work plan for the beach assessment and material recovery actions.

From everyday collection to environmental protection, Think Green? Think Waste Management.

- 5) Section 21: Facility health & safety plan. This document is was accepted as is, no further submittal is required.
- 6) Updated Storm Water Management & Contingency Plan (Section (4) of the USEPA letter dated January 27th providing approval to resume disposal operations within Cell E6).

Please contact me at (808) 668-2985 with any questions or comments. We look forward to your approval of these submissions.

Sincerely,

A handwritten signature in black ink, appearing to read "Joseph R. Whelan". The signature is fluid and cursive, with a large initial "J" and "W".
